Dear Lee,

On behalf of The Association of Former Students, it is my distinct privilege to congratulate you for receiving the Distinguished Achievement Award in Student Relations. The Association is pleased to support this prestigious program by rewarding outstanding faculty and staff of Texas A&M University who consistently exemplify the highest standards of excellence. Lee, we are proud to recognize you for your dedication, leadership, and distinguished service to Texas A&M.

As you may know, this prominent award is one of the most coveted recognitions that can be bestowed upon a faculty or staff member of Texas A&M University. Please accept this commemorative watch, framed certificate and cash gift as a token of our gratitude and respect for all that you do for Texas A&M and the Aggie Network. It is through the generous support of former students and friends of Texas A&M that The Association has been able to present over \$3 million to over 750 Distinguished Achievement Award recipients since the award's inception in 1955.
